

Appendix 7

Acknowledgments

The Indiana Department of Environmental Management through a contract with the Indiana Section of the American Water Works Association published the Indiana Drinking Water Guidance Manual. The Indiana Rural Water Association was engaged as a partner by Indiana Section AWWA to develop a cooperative effort among drinking water professionals to produce the manual to assist the owners and operators of Indiana water systems.

The following drinking water professionals are gratefully acknowledged for their efforts in the production of this manual:

Indiana Department of Environmental Management

Pat Carroll
Larey Conquergood
Mary Hollingsworth

AWWA Water Utility Council

Bob Hilton, Hilton Engineering
John Stancati, South Bend Water Works
Randy Edgemon, Indiana-American Water
Jim Williams, Peerless-Midwest, Inc.

Indiana Rural Water Association

Marilyn Gambold, General Manager
Jack Gambold, Field Engineer
Odetta Cadwell, Program Manager
